SCI-Graterford

The L.I.F.E.R.S. Inc. Public Safety Initiative (PSI) is a freedom movement, which was created by men serving life sentences at the State Correctional Institution at Graterford. Its mission is to empower incarcerated men to take responsibility for the actions and behaviors that led us to prison, and to take responsibility for the restoration of our communities in an effort to build crime-free neighborhoods where children and families can feel safe.

The members of the L.I.F.E.R.S. Inc. Public Safety Initiative would like to invite you to a Justice Month event.

- Do you want to learn more about the inspiring work of PSI?
- Are you interested in helping the members of PSI reach their goal of eradicating the culture of street crime?
- Would you like to join the Public Safety Initiative's Community Coalition?

If so, you can attend a brief informational session about the L.I.F.E.R.S. Inc. Public Safety Initiative:

Date and Time: Friday March 30, 2007 at 7 pm

Location: 320 S. Broad Street, Philadelphia (hosted by Broad Street Ministry)

Please plan to stay for TOVA's performance of "Holding Up - A New Prison Legacy." This theater-of-witness production was created in collaboration with the L.I.F.E.R.S. Inc. Public Safety Initiative. In addition to the powerful message about the impact of incarceration on families, "Holding Up" will also feature moving stories of personal transformation based on the lives of PSI's founding members.
